

NATURE PLAY RECIPE CARD

Make a Broom

INGREDIENTS:

- A stick
- Some smaller twigs, pine needles, fine leaves
- Long grass or rope

METHOD:

- Lay your long grass or rope on the ground.
- Lay one end of the stick on it.
- Bundle a bunch of twigs, fine leaves, pine needles on the same end.
- Knot the grass around the stick and the bundle.
- Play with the broom, use it to help sweep up, make patterns in the sand or soil or use it to play imaginary games or Quiddich!

SAFETY AND CARE:

- When playing with the broom be aware of where other people are if you are holding it up or swinging it around.

Did you know?

This was how they made brooms in the old days.
