

NATURE PLAY RECIPE CARD

Collect & Sort

INGREDIENTS:

- A basket, bucket or bag
- A place where there are lots of natural loose parts to collect

METHOD:

- Go outside with your basket.
- Pick up everything you like. Everything you find interesting. Just as much as you can.
- Now try to categorise everything in your basket.
- You can try; colours, textures, the sound it makes, the smell, by what it is (leaves, flowers, branches).
- How many other ways can you find to sort them?

SAFETY AND CARE:

- Don't collect things from living plants
